Approved For Release 2001/07/31 : CIA-RDP80-01826R000300120036-1

25X1A

1 [redacted] Satisfactory Too long Leaving on sick (grand)

Money mgt not well handled
prior to money mgt.

25X1A

2 [redacted] Favorable

Personnel should have followed White

Identification of weak units themselves + how — this should be built up.

Finance officer strictly negative. Should be very
X+Y too theoretical DO/S

31

Dietzen comedy too trivial not appropriate but OK when he got going

Approved For Release 2001/07/31 : CIA-RDP80-01826R000300120036-1

3) Ben

Why training omitted

Liked Judges but question what a supervisor would get

Unimpressed by Finance.

Questioned Security participation.

Time OK

Camera would test.

Liked Panel.

Liked DO/S

Suggested afternoon kickoff.

25X1A9a

4) [redacted] Impressive - DCI good time - "Confident they would perform as Superv

25X1A9a

White - good

[redacted]

* Parking + Maintenance detracted.

Both supervisor + employee

Judges - liked. Recognized Supervisor as people

Retired Finance - Less tech, more human

Secy - Lacked relationship to program + needed tie in with Dir Secy

DI/Pers - repetition of DO/S. Panel no!

Approved For Release 2001/07/31 : CIA-RDP80-01826R000300120036-1

Approved For Release 2001/07/31 : CIA-RDP80-01826R000300120036-1

5) Recruitment

DD - Opening remarks - philosophical background
Subsequent should have espoused intensive application
Medical
Use more humor - more visual aids
especially Dir/Pers

Leave out this 25% retention factor
poor psychology

25X1A9a

6) [redacted]

Best thing to date. - Ing possibly poetic.
Bannerman should have talked for self
Too Long
McCanes remarks didn't really
set tone - not clear as to
what he wants. Should condition
the environment.
Carter could well participate as
well to show concerted opinion

25X1A9a

[redacted]

Reason for meeting not delivered - Why
they were there should have been noted
Loud + clear. We liked the DCI's message
Who were those few others we were
hearing about
Med = 5 - 10 minut

7) [illegible] priority
Deficiencies. Subsequent speakers
should hammer home.

Eliminate panel - provide sum
up speach.

8) [redacted] 25X1A9a

McCone missed mark - should
be very general

Finance + Recs - loaded up with
expenses +

2 half days rather than whole

Medical mixed - reactions

9) POD 14 people
Too long, mechanics poor, mishandling by panel
Delighted DCI came! Very important! but
dull as dishwater until he spoke for self.
"Remark that Supervisors
Doubt that White a + theorist in practice
Fuchs - Should have said "How to spot the guy
who likely to get into money trouble How
to eliminate temptations + Importance of
